

Lovettsville Outdoor Movie Night

Evan Almighty

May 14 8:15 pm

We last saw Evan Baxter when he was a preening newscaster. He has now gone on to bigger and better things as a congressman, when he is called upon by God to build an ark.

Evan's family can not decide whether he is having a mid-life crisis or is truly on to something of Biblical proportions in this comedy starring Steve Carell and Morgan Freeman. Rated PG; 90 minutes, 2007.
